VOTE

All Best of Chicago nominees can “enhance” their listing on the ballot. Enhanced listings provide additional information to voters: business address, contact information, and direct links to social media pages.

The cost is \$100 for the first category and \$50 for each additional category (with the same information).

Nominees are NOT required to purchase an enhanced listing in order to win. Enhanced listings are a feature offered by our contest platform that we are passing on to our customers, as we feel it will provide our readers with valuable information. The fee helps us cover the cost of the platform as well as the time it takes us to input this information.

By enhancing your listing on the ballot, you provide readers with the following information:

- Photo (800 x 450px | landscape)
- Brief summary of your business (100 words max)
- Phone number
- Website
- Facebook page
- Twitter handle

If you are interested in purchasing an enhanced listing or any other advertising solution, please **email your Chicago Reader advertising representative or email us at ads@chicagoreader.com**.

Don't forget to use our free social media resources to solicit votes from now through noon Monday, February 8!
